PERSONAL INFORMATION

My name is Korede Daniel A.

As a passionate, innovative and creative designer with over years experience, i specialize in crafting visually stunning and effective designs for both graphic and website applications.

With a keen eye for detail an a deep understanding of design principles, I excel in creating bespoke solutions that caoture the essence of my client's brand and messaging because i believe graphics designs or UI/UX designs is far beyond adding colors to text or together but by impact full expressions and technical know how on given excellence works.

RESUME
